An American Bride in Kabul | Phyllis Chesler | Macmillan

An American Bride in Kabul is the story of how a naïve American girl learned to see the world through eastern as well as western eyes and came to appreciate Enlightenment values. This dramatic tale re-creates a time gone by, a place that is no more, and shares the way in which Chesler turned adversity into a passion for world-wide social, educational, and political reform.

Amazon.com: An American Bride in Kabul: A Memoir eBook ...

In the end, An American Bride in Kabul also reveals the fundamental force that drives her battles for women's rights, and especially for the rights of women in the Muslim world. For all the controversy she has raised over the years, hers is a mission born not of racism or anger or so-called "Islamophobia," as many have insisted, but of compassion and a real empathy — the kind that can only come from having lived through the experience herself.
