“Information about why certain people, animals and things are considered “cute” and the scientific background, for children”--

“Oh Dear!” is young Buster’s response each time that his search for eggs on his grandmother’s farm is futile. The pattern is the same throughout his search: he looks in the barn, or sty, or pond, where a flap can be lifted to reveal the animal that lives there, making the sound associated with it”.-- School Library Journal. Full color.

A special 40th anniversary edition of the classic lift-the-flap preschool favourite.

Each animal arriving from the zoo as a possible pet fails to suit its prospective owner, until just the right one is found. Movable flaps reveal the contents of each package.

Rod Campbell, the creator of the preschool lift-the-flap classic Dear Zoo, has been a trusted name in early learning for over thirty-five years, and Oh Dear! has been a firm favourite with toddlers and parents alike since it was first published in 1983.Buster’s staying with Grandma on the farm. But where will he find the eggs for breakfast? Not in the stable - oh dear! Young children will love lifting the flaps as they turn the pages and follow Buster around the farm. With bright, bold artwork, simple, catchy text and a whole host of favourite farm animals, Oh Dear! is a classic story to come back to again and again, and the thick board pages, chunky cased cover and sturdy flaps make it great for small hands.
