About Medieval Wall Paintings. The walls of medieval churches were brightly painted with religious imagery and colourful patterns, and although often shadows of their former selves, these paintings are among the most enigmatic art to survive the Middle Ages. This beautifully illustrated book is an ideal introduction to this fascinating subject.

Monasteries are among the most intriguing and enduring symbols of England's medieval heritage. Simultaneously places of prayer and spirituality, power and charity, learning and invention, illusion and superstition, they survive today as haunting ruins, great houses and as some of our most important cathedrals and churches. This book examines the growth of monasticism and the different orders of ...
