The Game of Life, also known simply as Life, is a board game originally created in 1860 by Milton Bradley, as The Checkered Game of Life. The Game of Life was America's first popular parlor game. The game simulates a person's travels through his or her life, from college to retirement, with jobs, marriage, and possible children along the way. Two to four or six players can participate in one game. Variations of the game accommodate up to ten players. The modern version was originally published 1

The Game of Life, also known simply as Life, is a cellular automaton devised by the British mathematician John Horton Conway in 1970. It is a zero-player game, meaning that its evolution is determined by its initial state, requiring no further input. One interacts with the Game of Life by creating an initial configuration and observing how it evolves.

Chapter 1: The Game Most people consider life a battle, but it is not a battle, it is a game. It is a game, however, which cannot be played successfully without the knowledge of spiritual law, and the Old and the New Testaments give the rules of the game with wonderful clearness. Jesus Christ taught that it was a great game of Giving and Receiving.
